Ukulele Tablature

Ukulele tablature is a system of notation that uses numbers to represent which frets to play on the ukulele.

Each line in the tablature represents a string on the ukulele, with representing the lowest string (the G string) and the top line representing the highest string (the A string).

The numbers in the tablature tell you which fret to play on that string. For example, a "0" means to play the string open, a "1" means to play the first fret, a "2" means to play the second fret, and so on.
