Step-by-Step Instructions

1. Head and Body

Begin by crocheting the head and body simultaneously. Create a magic circle and follow the pattern to shape the head, neck, and torso.

2. Ears

Next, crochet two identical ears and sew them onto the top of the head. Maxine Berg's ears have a triangular shape with a slight curve.

3. Mask

Using black yarn, create the distinctive mask by crocheting a semi-circle shape around the eyes. Embroider white markings around the eyes for contrast.

4. Eyes

Embroider two black eyes using a single strand of black embroidery thread. Add gray highlights for depth and expression.

5. Tail

Create the fluffy tail by crocheting a long, striped tube. Alternate between black and gray yarn to create the realistic raccoon tail pattern.

6. Nose

Using a small amount of black yarn, embroider a tiny nose just below the mask.

7. Legs

Crochet four identical legs and sew them onto the body. Give Maxine Berg a sitting or standing pose by adjusting the leg placement.

8. Assembly

Sew the tail onto the back of the body and stuff the raccoon loosely with stuffing material.

9. Finishing Touches

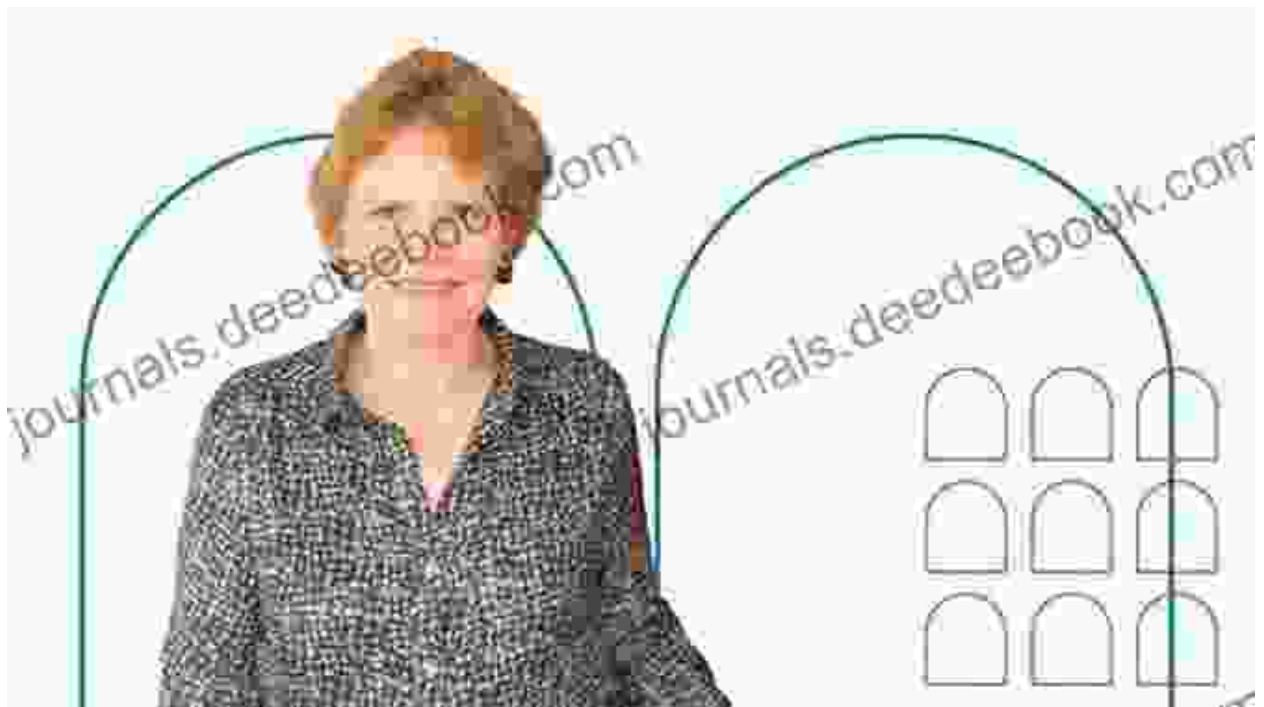

Trim any excess yarn and neaten up the edges. Maxine Berg is now complete, ready to charm you with her adorable presence.
