

Fat Quarter Fun by Karen Snyder: A Creative Guide to Quilting with Precut Fabrics

Fat Quarter Fun by Karen Snyder is a comprehensive guide to quilting with precut fabrics. The book provides detailed instructions and helpful tips on how to sew and quilt with fat quarters, which are precut fabric squares measuring 18" x 22".

Fat quarters are a great way to start quilting because they are affordable and easy to work with. They are also a great way to use up leftover fabric from other projects. With just a few fat quarters, you can make a variety of quilt blocks, quilt tops, and even entire quilts.

What's Inside the Book?

Fat Quarter Fun includes 12 quilt projects, each of which uses fat quarters as the main fabric. The projects range in difficulty from beginner to intermediate, so there is something for everyone.
