# Fortune Magic Farm: A Haven for Animals, Education, and Healing

Nestled amidst the rolling hills of Northern California, Fortune Magic Farm is a non-profit sanctuary that has become a beacon of hope for animals, people, and the environment. Founded by Suzanne Selfors in 1996, the farm provides a safe and nurturing home to over 400 animals, including farm animals, exotic animals, and animals with special needs.

Suzanne Selfors, an experienced animal handler and educator, began rescuing animals as a young girl. She witnessed firsthand the profound impact that animals could have on people's lives, especially those with disabilities and special needs. Inspired by her passion for animals and her desire to make a difference, she founded Fortune Magic Farm as a place where animals and people could come together to heal, learn, and grow.
