Print length : 22 pages

Good Night Mommy is a 2014 Austrian psychological thriller film directed by Veronika Franz and Severin Fiala. The film stars Susanne Wuest, Lukas Schwarz, and Elias Schwarz as a family who are terrorized by a mysterious woman who claims to be their mother. Good Night Mommy is a chilling and atmospheric film that will stay with you long after the credits roll.

## Plot

Good Night Mommy tells the story of twin brothers Lukas and Elias (Lukas and Elias Schwarz) who live with their mother (Susanne Wuest) in a secluded house in the Austrian countryside. One day, their mother returns home from the hospital with her face bandaged after undergoing cosmetic surgery. The boys are immediately suspicious of her strange behavior and soon begin to believe that she is not their real mother.

As the days go by, the boys' suspicions grow stronger. Their mother becomes increasingly withdrawn and violent, and she begins to make strange demands of them. Lukas and Elias begin to fear for their lives, and they eventually decide to run away. However, their mother is determined to keep them captive, and she will stop at nothing to prevent them from escaping.

## **Themes**

Good Night Mommy is a film about family, identity, and the nature of reality. The film explores the complex and often contradictory relationships between parents and children, and it raises questions about the limits of love and loyalty. Good Night Mommy is also a film about the power of suggestion and the fragility of the human mind. The film's use of dream imagery and surrealism creates a sense of unease and paranoia, and it leaves the viewer questioning what is real and what is not.

## **Critical Reception**

Good Night Mommy received critical acclaim upon its release. The film was praised for its chilling atmosphere, its strong performances, and its thought-provoking themes. Good Night Mommy was nominated for several awards, including the Palme d'Or at the Cannes Film Festival. The film was also a commercial success, grossing over \$10 million worldwide.

Good Night Mommy is a powerful and disturbing psychological thriller that will stay with you long after the credits roll. The film's chilling atmosphere, its strong performances, and its thought-provoking themes make it a must-see for fans of the genre. If you're looking for a film that will keep you on the edge of your seat, then Good Night Mommy is the film for you.
