With each image, you'll witness Seoul's vibrant tapestry, from the towering skyscrapers that pierce the skyline to the intimate alleyways that reveal the city's true pulse. The anthology showcases the extraordinary talent of Korean photographers, who capture the essence of their beloved city in all its multifaceted glory.

A Symphony of Perspectives

Through the eyes of these photographers, you'll encounter Seoul's vibrant street life, observing the locals going about their daily routines, street vendors plying their wares, and children playing amidst the urban rhythm. You'll wander through bustling markets, teeming with vendors and shoppers haggling over goods, and explore tranquil temples that provide a sanctuary amidst the city's energy.

Choi's masterful curation ensures a harmonious blend of perspectives, presenting Seoul from both intimate and panoramic viewpoints. You'll witness the grand scale of the city's landmarks, such as the iconic N Seoul Tower, and simultaneously discover the hidden nooks and crannies where Seoul's authentic character resides.

A Window into Korean Culture

"Monday Afternoon in Seoul" not only captures the city's physical beauty but also offers an intimate glimpse into Korean culture and society. Through candid snapshots, you'll observe traditional Korean customs, such as tea ceremonies and street food stalls, while also witnessing the embrace of modern trends and technology.

The anthology provides a unique opportunity to understand the daily lives of Seoul's residents, their hopes, dreams, and challenges. It sheds light on the city's rich history, its rapid transformation, and the enduring spirit of its people.

A Timeless Masterpiece

Published in 2023 by the prestigious Thames & Hudson, "Monday Afternoon in Seoul" is destined to become a timeless classic in the world of photography. Its stunning visuals, combined with insightful essays by

leading cultural critics, create a rich and multidimensional portrait of one of the world's most dynamic cities.

Whether you're a seasoned traveler, a photography enthusiast, or simply someone who yearns for a glimpse into the soul of a vibrant metropolis, "Monday Afternoon in Seoul" is an essential addition to your library. It's an invitation to experience the essence of Seoul through the eyes of talented photographers, preserving the city's character for generations to come.

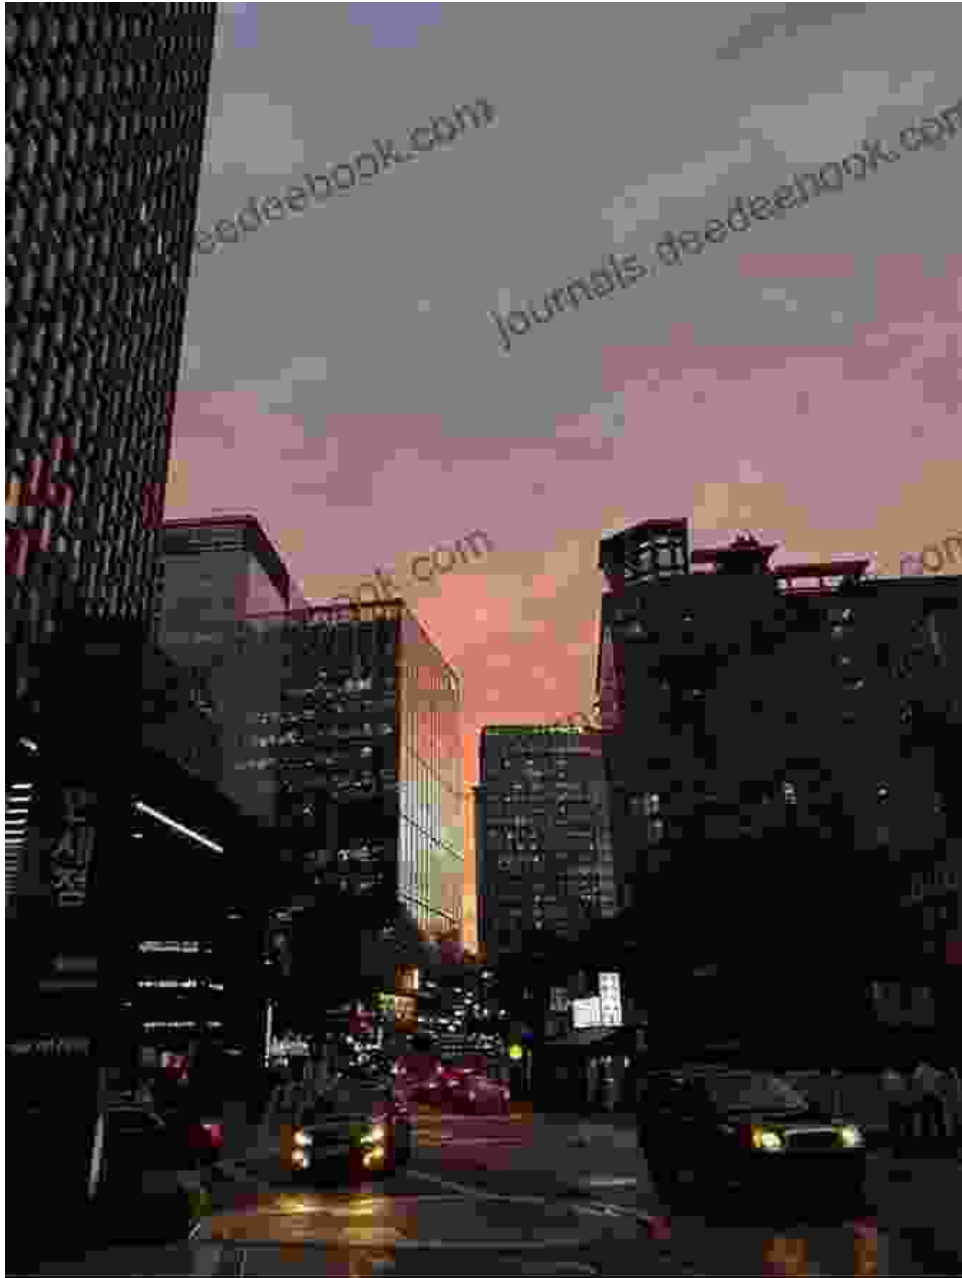

Exceptional Photography, Unforgettable Journey

Each photograph in "Monday Afternoon in Seoul" is a work of art, capturing the essence of the city in a single, breathtaking frame. The anthology serves as a testament to the extraordinary talent of Korean photographers, who showcase their mastery of composition, lighting, and storytelling.

As you turn the pages, you'll embark on an unforgettable journey through Seoul, discovering its hidden gems, witnessing its bustling streets, and experiencing the heart and soul of this vibrant metropolis. "Monday Afternoon in Seoul" is more than just a collection of photographs; it's an invitation to immerse yourself in the city's vibrant tapestry, leaving an enduring impression long after you've closed the book.
