The second novel in the trilogy, *The Sword of Justice*, is set in England in 1803. Kelly is now a spy for the British government, and she is tasked with infiltrating the French army. She quickly rises through the ranks, and she soon becomes one of Napoleon's most trusted officers. However, as she gets closer to Napoleon, she begins to question her loyalties.

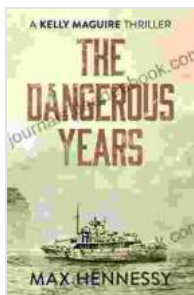

The third novel in the trilogy, *The Glory of the Empire*, is set in France in 1815. Napoleon has returned from exile, and he is once again threatening to invade England. Kelly is now a captain in the British army, and she is tasked with leading the defense of the country. She must make a difficult choice: to follow her orders or to betray her country.
