The film opens with a group of pledges being hazed by their fraternity brothers. The pledges are forced to do ridiculous tasks, such as eating live insects and jumping off a bridge. The pledges eventually revolt and decide to start their own fraternity.

The new fraternity, called the Omegas, is made up of a diverse group of students, including a nerd, a jock, and a musician. The Omegas quickly

become the target of the other fraternities on campus, who are determined to destroy them.

The Omegas must overcome a series of challenges in order to survive, including a food fight, a panty raid, and a keg stand. They also must deal with the disapproval of their parents and the administration.

In the end, the Omegas learn to accept themselves and each other, and they find their place on campus. Greek Capers is a funny and heartwarming film about the importance of friendship, acceptance, and individuality.
