The One You Want is a novel that follows the journey of a woman named Sarah as she navigates the complexities of love, loss, and the search for happiness. Through her experiences, Sarah learns that true happiness comes from within and that the one you want may not be who you expect.

Sarah is a successful businesswoman who has always put her career first. She has never had time for relationships, and she is content with her life the way it is. But when she meets a man named David, she begins to question everything she thought she knew about love.

David is kind, funny, and intelligent. He makes Sarah laugh, and he challenges her to think about the world in a new way. Sarah falls in love with David, but she is afraid to let herself be happy. She has been hurt in the past, and she is afraid of getting hurt again.

Sarah's fears eventually get the better of her, and she breaks up with David. She tries to move on with her life, but she can't forget about him.

She realizes that she made a mistake, and she wants him back.

But David has moved on. He is now dating another woman, and he is happy. Sarah is heartbroken, but she knows that she needs to let go. She learns to accept that the one you want may not be who you expect, and that sometimes the best thing you can do is to let go.

The One You Want is a beautifully written and emotionally resonant novel. It is a story about love, loss, and the search for happiness. Sarah's journey is one that will resonate with readers of all ages, and it is a story that will stay with you long after you finish reading it.
