## What are Step Into Reading Books?

Step Into Reading books are a series of leveled readers designed to help children develop their reading skills. They are written using simple language and engaging stories, and they are illustrated with bright and colorful pictures.

Step Into Reading books are divided into five levels:

- Level 1: Preschool
- Level 2: Kindergarten
- Level 3: Grade 1

- Level 4: Grade 2
- Level 5: Grade 3

## **Benefits of Step Into Reading Books**

There are many benefits to using Step Into Reading books to help your child learn to read, including:

- They are leveled, so you can choose books that are appropriate for your child's reading level.
- They are engaging and interesting, so your child will want to read them.
- They are illustrated with bright and colorful pictures, which helps to keep your child's attention.
- They are affordable, so you can buy several books for your child without breaking the bank.

## **How to Use Step Into Reading Books**

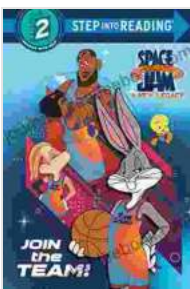

To use Step Into Reading books to help your child learn to read, follow these steps:

1. Choose a book that is appropriate for your child's reading level.
2. Read the book to your child aloud. Pay attention to the way you pronounce words and the intonation you use.
3. Ask your child questions about the book to help them understand the story.

4. Encourage your child to read the book to you. This will help them practice their reading skills.
5. Repeat steps 1-4 as often as necessary.

New Legacy Step Into Reading books are a great way to help your child learn to read. They are leveled, engaging, and affordable, and they come with a variety of stories that your child will love.

If you are looking for a way to help your child take their first steps into the world of reading, I highly recommend New Legacy Step Into Reading books.
