Billy is a former soldier who has returned home from war traumatized and lost. He has lost his friends, his family, and his sense of purpose. He is haunted by memories of the horrors he has witnessed, and he is unable to escape the feeling that he is a failure.

In a desperate attempt to find some kind of peace, Billy travels to a remote and abandoned town called White City. White City is a place of desolation and decay, a place where the past is still very much present. Billy is drawn to the town's beauty and isolation, but he soon realizes that it is a place where he can never truly escape his demons.

As Billy explores White City, he begins to uncover the town's dark and violent past. He learns about the people who once lived there, and the tragedies that befell them. He also begins to learn about himself, and the choices he has made in his life.

White City is a beautifully written and deeply moving novel. Power's prose is lyrical and evocative, and he creates a vivid and unforgettable sense of place. The novel is a powerful exploration of the themes of loss, memory, and the search for identity. It is a novel that will stay with you long after you finish reading it.
